What job i'm looking for? My positive points

I'm looking for an electrical job.because I have passed my grade12 and I an electrical (nq level 3) certificate. so that means I can operate in the construction.i can wire a single phase circuits.now the most important part,is that I got a learnership at Master seed tech for 3 months.Masterseed tech is subcontractor of city power . there is where I learned to operate three phase circuits,for example wiring the TSS,mini substation and fault finding.

Preferred occupation	Engineers Engineering jobs
