What job i'm looking for? My positive points

General Worker. Because I was working under the construction called BRBF CONSTRUCTION as a general worker for more that 7 months around Zeerust and I don't have Driver's license and the other point is that I don't have any qualifications yet beside Matric Certificate. I can work under pressure and overtime. I have a excellent communication with colleagues and I respect my work more than every thing.

I declare that everything I wrote above is nothing but the truth. If it's not, I accept that any action can be taken against me.
