## What job i'm looking for? My positive points

Dear manager

I write this letter regarding the position of artisan Electrician since I consider myself as a best candidate for this position.

As a self motivated person I believe I am reliable and able to follow instructions from the employer, also worked 3 years as assistant Electrician at Ntwape Electrical Contractors and went to Department of Infrastructure Development for 3 years as assistant Electrician.

Working as an Electrician will be a best interest to me since I am willing to be an asset to the company.

I hope my application will be taken into consideration.

Yours sincerely

Paul Motshoane
