## What job i'm looking for? My positive points

I perceive myself as committed, hard working, trustworthy, a team player, dependable, willing to give that extra percent to reach a target or goal, ready to take on new challenges, not afraid to use my own initiative, not intimidated by any person or challenge.

I am always willing to learn and have confidence in myself to take any challenge and make it my own, to learn from any mistake and take criticism with respect and see it a learning opportunity.
