What job i'm looking for? My positive points

I am an amazingly kind person, but also shy at times. i like being alone. I don't like going out partying. I love helping others. If anyone of my friends are in trouble, they come to me for help, because they know I always find a way to help others. I listen when spoken to. When I'm asked of something, I do it right away. Everything I do, I do in a Godly way. My life motto is, "What goes around, comes back around."
