Curriculum Vitae (CV)

What job i'm looking for? My positive points

Well I'm a very delicate person and being an employee will be a great opportunity that I'll grab with both hands. An occupation as a receptionist or a PA will do as I do not have much skills but I am a fast learner and I'm good with people and managing time. I know you should hire me as one of your employers since I've got potential and I'm willing to go an extra mile.
