Curriculum Vitae (CV)

## What job i'm looking for? My positive points

My name is Pheliswa Onica Matsika. I am based in Port Elizabeth. I have been working most of my life after finishing school. I have more than 10 years in the general work industry, mostly in hotel fields and I am familiar with every aspect of it.

I am dedicated in whatever task I am operating on and that is what has inspired and impressed most of my previous employers. The best thing about me is that I am fast learner and I am always eager to learn new things. Even if I were to be given anything to do in whatever field, I know that I would excel in it because of my fast learning skill and the dedication I have within myself.
