What job i'm looking for? My positive points

Dear Mr/Mrs

I would like to express my interest in the Buyer position with your company and I would like to submit this letter as an introduction. I know that my feel for trends and the items that customers want would make me an asset

A summary of my history will provide insight as to how I would make an effective associate buyer and can be viewed in greater detail on my resume:

- I have been buying for companies for over 4 years and have a proven track record.
- My personality and communication skills make it easy for me to negotiate deals with vendors in order to get a better quality item at a lower cost.
- Working as a buyer means knowing how to budget and how to get products in before the deadline for the success of a product.

Working within a team framework is vital for any organization. For this reason, I know that I am an integral part of any company that contract with and I would be an asset.

I am looking forward to the time when we can sit down and discuss my history, training and former work experience to show how beneficial to the company that I can be. I can be contacted at any time by phone (061)-6413274 or you can email me at [sbomkhizes@gmail.com]

Sincerely,

Sibongiseni Mkhize
