

Christopher Lee Sickle

Curriculum Vitae (CV)

What job i'm looking for? My positive points

As per my uploaded cv i have extensive experience in boiler making, fitting , welding and rigging. I am intelligent, conscientious, positive minded and goal orientated. I enjoy high energy, healthy and safe work environment. I work well under pressure and with my co-workers. I am highly trained in safe work procedures, especially in the oil and gas industry. I am computer literate and am good at what I do, any potential employer would be getting a great deal more than just one trade, i am certain that having me inside your business would be to both our benefits. i have a very forward thinking mentality, I'm honest and forthright
