Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a self-motivated, confident and driven person whom is motivated by opportunity for advancement to levels of responsibility, where I can use my skills to our mutual advantage. I am a person with strong leadership skills and I take my work with pride. A total team player is what I consider myself to be, reason being is that I do not shift blame for my mistakes I take full responsibility for my errors and my actions. I always listen, take advice from various co-workers as I appreciate and value input from other staff members, in that way it would improve our working relationship, and increase our pace at which the work is conducted. I am a socialistic person who gets along with anybody I would also add that I have my priorities set out correctly. I came into the field not understanding anything about how it works however, I pushed myself to learn and understand what is it that I am doing and why has to be done. I set realistic goals for myself, which I ensure to accomplish. I am a hardworking individual who strives only for the best I do not just believe in giving only my best but going the extra mile for the client. I believe in seeing tasks to completion to the best of my ability with minimal errors.
