

Johan Meiring

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm currently employed as Junior plant supervisor at a well-known company. This involves leadership skills over other employees and regulating duties to fellow plant employees, crushing and screening of materials

I'm a certified 20-50 ton crane operator. FEL operator with valid certificate, excavator operator with valid certificate, dump truck operator with valid certificate.

I don't need supervision during operations and follow instructions and orders clearly to required specifications.

I do not mind going the extra mile when required of me. In fact, i always go the extra mile without it being a requirement due to the fact that it makes our daily tasks much easier and therefore the task at hand much faster.

I am trustworthy with sober habits.

I'm looking for a kind of employment in which I can grow as person and as employee. Where leadership and growth is important.

Kind regards

Johan Meiring
