Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for an internship or learnership due to I have qualifications of electrical engineering. I have N6 and I would like to apply my theory into a practical.

Good communication skill, safety conscious, determined about what I want in life. I come from a poor background which made me who I am today and I'm proud of my self if I get a job I would help my family to overcome the struggle at home.
