What job i'm looking for? My positive points

Good day

I'm looking for part-time work from home typing and data capturing work to supplement my income. I am currently employed as a legal secretary for a firm of attorneys in Houghton. My typing speed is well over 60 words per minute and I'm very accurate.

I am hard working and very deadline driven. I have worked for law firms for over 20 years - in both the bookkeeping and financial manager departments and the legal secretary side.

I am able to do dicta-typing too. I'd preferably like to work after hours/weekends.
