What job i'm looking for? My positive points

I am looking for a job that I can be a driver(code 10) in. It can be anything, deliveries or taking staff pupils daily. Even if the job requires me to go out of the province I won't have a problem with that. I believe in my experience of driving I would make a suitable candidate for the job with being honest, commitment, working together with the company and also together with the team or people around the company. I will also make sure that I adhere to the code of conduct of the company.
