What job i'm looking for? My positive points

Well as I'm inexperienced I'm looking in the direction of general work, and office work yes I don't have much experience in the admin filed but I have the basic skills. I am a hard working lady who doesn't mind getting her hands dirty, I have leadership skills in me I know the impotence of team work, in a work place theirs no me but us. I'm not an A student nor a B, but I'm willing to prove my self in my work.

Thank you.
