Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for employment in the Mining Engineering field. I have extensive experience as both Maintenance Planner and Foreman. I have also relieved as Plant Engineer in a couple occasions. I have recently been retrenched from a Chrome Mine and I am immediately available for employment. I am a very versatile individual and a fast learner. I am willing to relocate anywhere in South Africa. I would be an asset to any organisation that i join.
