Curriculum Vitae (CV)

What job i'm looking for? My positive points

All my life I have been dreaming of working for your company and I told myself that if I could just get a chance or given an opportunity work, I will work twice harder to prove myself. since i was young, i had part-time jobs working with steel but mostly welding and graining, so i am capable of doing anything and adjust. I am willing to learn so i can be a professional employee.
