Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I have matric with maths and physical science and N3, N4 and N5 certificates in chemical engineering , now busy with my N6. The job that I'm looking for is the one in the field mentioned above, e.g plant operation, water and waste treatment, mining etc

I believe that I'm best suited for these jobs although I have no working experience because, I'm always open to learning new things, self-motivated, I'm able to work in a team
