

# Veronica Mathebula

Curriculum Vitae (CV)

## What job i'm looking for? My positive points

To whom it may concern

My name is Nomcebo Veronica Mathebula, with this letter and my attached resume, I am applying for the industrial engineering intern position. I had been searching for just such an opportunity and I am confident that my experience and knowledge gathered from my studies have provided me with the skills necessary for this position with your company.

An internship at White Hazy Building Constructions allowed me to develop skills in LAN management, information technology systems and they enhanced my knowledge of the construction industry down to how they apply n enquire their tenders. In addition to my internship experiences, I have an academic record that attests to my strong work ethic and dedication to the field. Finally, I have the relevant coursework that directly applies to the parameters of this position. I am genuinely interested in this position and working at your company will set an excellent reputation, comes highly recommended, and has a long history of sustained growth even in the most difficult economic conditions. Your mission statement speaks of the importance of collaborating across industries to make a superior yet safe product. These values resonate with me - working together for the growth of the company and, at the same time, for the protection of the customer.

Should you desire additional information, please contact me at 083 646 0646 or via email at veronicamathebula09@gmail.com. My background and career goals align well with your job requirements and I am confident you will sense my enthusiasm for this position.

Sincerely,

N.V.H.M Mathebula
