Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would love to work in a warehouse as an inventory assistance. I am interested in this because I gained interest when I was studying short course in supply chain management. I want to gain experience and grow in the above mentioned skill. I have.

I also have retail and wholesale level two in a leadership that was hosted by Trend Sales and marketing in 2005. I am currently working in one of shoprite outlets as a field marketer which I have been doing for twelve years.

I just want to grow my experience in the business. And if I get an opportunity I am sure that I can deliver to the best of my ability.
