Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for any job available because I have no experience at all. But with all that been said, it doesn't mean I can't get a job done by the end of the day. I'm a very hardworking person and I've learned a lot through my studies. I'm a student at Vaal University Of Technology currently studying Diploma in Human Resources Management. I'm willing to learn only if I can be given a chance to prove myself.
