Curriculum Vitae (CV)

What job i'm looking for? My positive points

I can do the office work working with the computer because I have an advanced certificate for computer. I would love to do work that is involving people because I like working with people and as a team. In my Development Studies degree i also studied industry and development so I think that could be of benefit for me to be recruited. I'm a dedicated person and a team player. I can be professional and keep deadlines.
