What job i'm looking for? My positive points

I am currently looking for any available position as I know I am going to gain a vast experience as I am willing to learn. I come to you as someone who is an expert at creating a memorable experience for my customers that makes them want to come back and do more business with the company. I can act as an excellent ambassador for your company, and am very confident that I will be instrumental in helping your company to archive all of its goals. On a more personal level I wish to point out that I am able to remain seated for long periods of time and still remain focused on the job at hand.
