

Felicia Keabetswe Tloome

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have three months experience as sales consultant where I was selling building materials and which was the best experience even though I had to resign due to my studies of electrical engineering which I am currently still registered with at Orbit TVET college. I am self driven and always go extra mile to produce better results in my work which gave me an edge to learn and adapt easily and quickly.
