Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am presently seeking for an in-service training in construction management and quantity surveying and I am Majoring in the following modules: construction technology, construction management and quantity surveying and I am computer literacy in word,excel , PowerPoint and windows 10

Been a hardworking and dedicated student that I am,Given an opportunity to do my in-service training would be a great honour as they will mean i will be able to take a great part in practising what I know and been taught theoretically ,and now doing it practical ,laying down my skills and practices my passion which of course is construction.

I thank you in advance for time in considering my application and it would a great honour to recieve the feedback

Thank you
