What job i'm looking for? My positive points

At the moment I'm just looking for something small like being a cleaner because I don't really have any work experience but I can assure you that I'm willing to work and gain experience. I'm a fast learner,I work hard too. I can work well under pressure, working as part of the team and independent is one of the things I'm good at. My computer literate if good.

I'm looking forward to hearing from you.

Thank you
