Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a 26 year old father of two and a newly wedded husband, who is the sole breadwinner of my family. I have completed my Matric 2016 but due to financial and personal reasons I could not further my studies. My main passion now is to provide for my children and my wife, that is why I am willing to work extra hours and give it my all in any job that I am afforded.

I am a hard-worker, goal driven, I work well under pressure and I am a team builder (communication). This post is an opportunity to better my family's life and my life for the better.
