What job i'm looking for? My positive points

I am currently looking for employment with a reputable company. I have experience with the hospitality. My last employer being The Twelve Apostles Hotel and Spa as Food and Beverage Supervisor in the Azure Restaurant, my duties included opening and closing the restaurant, completing staff rosters, training with staff with regards to menu, menu planning with chef to mention a few. I also have experience in the call centre field. I've worked at Direct Axis as Loans Specialist. I am hardworking, fast learner, persistent and very much team orientated, I also do manage to work on my own and follow instructions well.
