Curriculum Vitae (CV)

What job i'm looking for? My positive points

Im a semi skilled welder.. With alit bit experience of installing cctv cameras, garage motors and electric Fencing.

My passion is welding.. I love working with my hands building al kind of steel work eg. Slidding doors, stairs, ballastrades, gates and alot more mild steel...

I've been in the steel industry for 15 years now.

I've learned alot over these years and every thing i have learned i have put to good use.

Im hardworking, always on time for work, i dont stay out if work unless its family related and serious enough to have my attention.

I can work totally on my own and can read plans given to me and deliver good work every time.

I believe that who ever hire me wount hire me to their lose because im goal driven and i can push production always.

In my previous post i was appointed as a workshop manager. My main responsibilities was to see that work get done on time.,al the steel is delivered and order for the next week. On site i had to make sure al the installation is done on time and neat.

And i enjoyed my work but mostly working in the workshop building stuff because thats my passion.
