Curriculum Vitae (CV)

What job i'm looking for? My positive points

Application for General work

I am currently working at Romsec, doing alarm installations, installation of CCV cameras and installation of fire detectors. We also install network cables in malls and at communities.

My skills include amongst others great interpersonal skills, communication skills, computer literacy and electrical infrastructure and construction. I am fluent in all three languages of the Western Cape: Isixhosa, English and Afrikaans.

I am a hard working person and my driving force is to take obstacles as challenges and find my way around them. I like interacting and cooperating with other people to achieve common goals. I am very ambitious and able to work under pressure. I work with priority to meet deadlines. I am very eager to learn new things that will add value to my life and to those around me. I have good and effective communication skills to analyze thoughts and ideas proactively listening to other people. I have no cause of fire detection but I gain experience over the years by working with many people and learn more but I want to gain more knowledge about this industry of fire alarms system.

I have included a copy of my C.V. Any information that might be needed can be communicated to me and I will forward it as soon as possible .If necessary I am available for an interview and any testing that might be necessary. I can be contacted on 062 866 5046.

If you do something in front of me I make it a point to do it exactly as you did and if I stuck I'll ask for help.

If my application is successful I can resume as soon as possible.
