What job i'm looking for? My positive points

I want to be an administrator because i studied diploma in business admin at school. The reason i want this job is because i need money to support myself of course and my family. They are looking up to me especially my mother after she has struggled so hard to pay for my fees. But the biggest point is that, i'm a confident person and im good with people, even difficult people i can handle them. I am a dedicated person to what i do and im the hardworker. You won't regret employing me. I will appreciate your approval. Thank you.
