Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a really hard working person and a person who is good in math. I am a hard worker and try to do my best in each task that I am given. I am a good teacher as well as a good listener. What I do during my spare time is to read books about growth and leadership. I just completed matric in 2020 and I am looking for a job that can allow me to interact with people which is really beneficial for my growth as I see myself as a leader and a person who needs to be around people all the time. I am not looking for a high paying job but a job that can help me gain experience. I also did accounting at school, and I am really good at bookkeeping and ethical issues. All primary accounting and business concepts. I am not looking for a permanent job but a job that will last until I go to university in March or April.
