Curriculum Vitae (CV)

What job i'm looking for? My positive points

Thank you for being given this opportunity, I believe my experience in working with other people to achieve goals would be important in your company. I have been tutoring first years at the National University of Lesotho for the past two years and I really helped them to pass to the 2nd year.

Also I think leadership qualities are a bonus everywhere, I was the the president of The Science and Technology society at the National University of Lesotho. Furthermore I am currently my home town team's captain, Mohale Brothers FC.

I am also patient to learn and I have superior communication skills.

For starters, I believe I have all the skills and experience for a general job, and I am confident that I can bring immediate impact at your company.
