Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am basically looking for any job that will shape me into being a professional chef someday. I do have the qualification which is only a higher certificate however I am willing to learn more skills.

In the meantime, any kind of job would be of help.

I am optimistic, a good listener and a hard worker too. I always make sure that whoever is in charge doesn't have any complaints about me.
