

Wayne Swartz

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am an accomplished, knowledgeable and versatile Electrician, offering 11 years' extensive experience. I demonstrate expertise in all electrical installations, maintenance and repairs, including refrigeration and cooling, CCTV and alarm systems, pumps, borehole pumps, domestic irrigation and commercial and industrial irrigation pivots. I am also skilled in the building and repairs of conveyors, scales, gearboxes of all equipment, as well as steelwork and welding. I leverage strong communication, interpersonal and analytical thinking skills to effectively resolve problems and provide superior customer service. I am comfortable working in fast-paced environments as part of a team or on an individual basis. I possess the ability to take initiative and manage time effectively. I consider myself a dedicated, disciplined and goal orientated individual, who always strives to learn more and to deliver more than expected. I am known for building strong working relationships and I am committed to be a confident and respected member in my environment.
