Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for any job opportunity that may come.

I am a dedicated, reliable and diligent individual that yearns for a chance to prove their worth within the work environment and hopefully help others one day.

I believe qualification does not guarantee or prove a person's attitude in the work environment, thus one needs to be flexible so as to adapt to any situation as dictated to by circumstances. Learning happens every day so is ones knowledge as we learn each day.

I hereby seek of employment, one that would assist me in developing myself whiles pushing me to my maximum potential. I assure my potential future employer a high level of dedication and commitment as I always go an extra mile in everything I pursue.

I am looking forward to being part of an Organisation that is willing to offer me with an opportunity to start a career.
