Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a job or training,i worked as an apprentice in mechanical fitting(phase 1) for one year in the maintenance side doing housekeeping,facilitating filter change in the engine room on boats,stripping and fixing gearboxes,operating machinery and greasing bearings, also have N5 in electrical engineering.I am looking for a new challenge which is to put the theory i learned at school to practicality.In my mechanical fitting phase 1 course there was also a part of arc welding, so i can do that as well as rigging.I am a creative,well-organized and responsible person who always ensures that i operate with high level of integrity and friendliness because it makes easier to relate well with people.
