What job i'm looking for? My positive points

Am looking for a driving job because i am very good on doing deliveries and i know many places and i have experience on it, right now am not working it's been 2 years now without a job and is very difficult for a man like me without a job and i have 6 children to support and am also a bread winner and only me and my mom no siblings and not married so if i can get this job i will be very happy, for a living i was selling macaroni and milk but now it's very difficult to do that as there are no more trains and also this covid 19 life is very tough for me everything went up, so if i can get a job i will be very grateful thanks
