What job i'm looking for? My positive points

I'm looking for a Apprenticeship to gain more experience on electrical engineering, I have N1-N3 on this field, so I would like to find a apprenticeship on this company because I know this is the best company ever, I am hardworking person, always willing to learn new things, I love team work, and productivity is always my concern. Despite of my background, I prioritizes education the most and I'm willing to work hard and save as much as I can, so I can further my education.
