Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any form of employment where I can gain skills and experience. I am fresh out of Matric (Year 2020) and I have a fresh mind and a drive to work hard so that I can earn an income so that I may provide and contribute to my personal household. I have retail experience and have been a store clerk/cashier/key holder while in my grade 11 year. I am a fast learner and will take the initiative to go the extra mile. I am friendly and have excellent communicative skills. I work well with people and just as well individually. I am a quick thinker and am able to solve problems efficiently. I work best on my feet, where I am kept busy rather than sitting behind a computer all day but if in the situation, I type quickly and have basic computer skills (though no training). I strive to learn and grow and will appreciate any experience I may face in the workplace. I thank you for considering my application - Zoe Danielle 'Ellie' Biljon.
