Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a job in the finance department because I have a qualification in that field, I love working with numbers and to add on that I changed my career to the teaching department but did not change what I love the most which is accounting and I still want to grow in that field. I am a very hard worker and always willing to learn new things, challenging myself with new things.
