Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am ambitious and driven are two qualities that are essential to success and growth in many jobs, cause when an employer hires an ambitious candidate, they can rest assured this new hire will consistently seek ways to improve themselves and keep their eyes firmly set on their next goal. I thrive on challenges and consistently set goals for myself, so I have something to strive towards, I'm not comfortable settings and I'm always looking for an opportunity to better and achieve greatness in my previously role, I was promoted within less than four months,.

I am a dependable person who is great at time management and always energetic and eager to learn new skills and a natural leader and employers often seek natural leaders for leadership and non-leadership positions because they set a good example and can boost team morale
