Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a job as Artisan assistant or technician assistance. I am currently working for Tsebo solutions as a plant operator at Africa Data Centre.

My duties includes making sure that the plant is always stable and redundancy equipment is always readily available should there be power outage. Perform routine inspections on equipments such as generators, ups's, HVAC systems, transformers and MV switches.

I have gained skills such as fault finding skills and pane wiring skills. When given task I always make sure that it is completed before due date. I work very well on my own as well as in a team.
