Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a 19 year old soon to be 20 this year, and I am looking for general work. I have a matric certificate and used to work at a preschool as a cleaner looking after kids as well as cooking which is mainly what I was hired to do. What I have learnt in the little time I was there is patience tolerance and time management. Which are skills I think are needed in any environment regardless of what you do.
