Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a hardworking young lady, intelligent, fast learner and determined to work under pressure. I like to learn new things and I'm always passionate. Whenever I'm given an opportunity to work, I work with pride, love & an open heart. I believe and love to help others.

I did my matric in 2017 but I was never lucky enough to go further my studies. But I'm working on archiving that under the support of my unemployed supporting mother. This job could help me save some money and take myself to school. Study Tourism and Hospitality.

Please bear with me and give me this opportunity to work for myself so that I can save & take myself to school.
