Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I'm looking for a engineering job. I have experience in the fitting and turning department. I am hardworking and would like to build up my experience in that field. At the moment any job is fine with me.

I am unemployed for a long time now. I was studying Mechanical Engineering en just finished my N2. Im looking for a job. Had applied at a few companies but no luck so far. I would really appreciate it if you would consider me in these applications.

Thank you
