## What job i'm looking for? My positive points

General worker...I m was working with others at construction so I even go to hearing, shouting, slapped, drinking or be absent until my period end at work.

So i need this work because our sister is taking care of us with her children grant money and we're living under roof of RDP with 10 number of people and our parents are deceased both

So I don't want to be a thief, gangster or end up in jail so i'll also be happy if i get a job for helping my sister to look after family so to look forward n I pray to have or given a chance to work
