What job i'm looking for? My positive points

Any available job like cleaner, cashier or packer etc

I'm looking for a job that will pay me so that I can look after my family, I'm staying with my single unemployed mom, grandfather, younger sister and younger brother. So I'm the only person trying with the small amount of R600 that I receive and my grandfather's pension, that's really killing me cause I can't even buy clothes for myself because I've to buy food and my grandfather's pension it's for life insurances and school uniforms and house needs.
