Anton Cannon

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have been working in the Information Technology and Telecoms industry well over 15 years and I can assure you that I am very meticulous with my work.

I am looking forward to being a part of your team and all your other objectives like to have a stable job and the possibility of career growth.

I'd like to work for a company where I feel I can make a real difference.

After researching your company I have discovered that it is an industry leader and has an excellent reputation.

I was also greatly impressed by your company's mission statement, values and culture. I feel strongly that yours is an organization that I would like to work for and be associated with.

I believe your company will help me to develop my career in the direction I want it to go.

I think I would be a perfect candidate and compatible fit for the position.
