Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am currently unemployed. I just upgraded my license from code 10(since 2011) to code 14. After years of failing I have finally received it. I am a hard worker & would be grateful to get a job even if I could be an assistant driver. I would like to have a better future for myself and family. I am looking to expand and grow myself by becoming a driver. I am up for a challenge all the time. I never hesitate or complain. I follow instructions and I promise I will not be giving any problems.
